

## The following literature has been published by users of MAXQDA

The following is an alphabetical list of publications that MAXQDA users have submitted. It gives you an idea of the wide range of disciplines the software is used in and the many methodological approaches that it can support.

Many of the authors have given permission for us to include contact information for them in case other users want to communicate with them about their research and how they used MAXQDA. Feel free to be in touch with them.

If you've published your MAXQDA-supported work and would like to be included in the list, please contact us at [info@maxqda.com](mailto:info@maxqda.com). We'll be happy to share your work with the MAXQDA community.

- Angermeyer, M.C. / Schulze, B. / Dietrich, S.: Courtesy Stigma – A Focus Group Study of Relatives of Schizophrenia Patients. In: *Social Psychiatry and Psychiatric Epidemiology* 38 (pp.593-602), 2003. Baker, L. / Lavender, T. / Tincello, D.: Factors that influence women's decisions about whether to participate in research: An exploratory study. In: *Birth* 32 (1) (pp.60-66), 2005.
